PUBLIC SERVICE ANNOUNCEMENT

TBayTel Warns of Email Scam

The email below is being sent to a significant number of consumers and businesses today. The email is fraudulent and dangerous.

TBayTel is NOT releasing cell phone numbers to telemarketers and never sells or gives phone numbers to telemarketers other than what is publicly available via the phone book.

While the website and first phone number in the email are valid, the second phone number – 888-382-1222 – has been linked to telemarketing scams. Customers should not phone that number or forward the email if received.

The fraudulent email message below reads as follows:

Cell Phone Numbers Go Public this month.

REMINDER All cell phone numbers are being released to telemarketing Companies and you will start to receive sale calls.

YOU WILL BE CHARGED FOR THESE CALLS

*To prevent this, call the following number from your cell phone:
1 866-580-3625 or 888-382-1222.*

It is the National DO NOT CALL list. It will only take a minute of your time. It blocks your number for five (5) years. You must call from the cell phone Number you want to have blocked. You cannot call from a different phone number.

Or you can do it online at www.Innte-dncl.gc.ca

HELP OTHERS BY PASSING THIS ON TO ALL YOUR FRIENDS.. It takes about 20 seconds.
